### PROFESSIONAL SUMMARY

---

Motivated, teamwork oriented junior web developer with 2+ year of experience in project work and field study. Passionate about improving web performance. Highly skilled in communication, collaboration, and technical documentation. Seeking to leverage web development skills to improve corporate performance as a web developer.

---

### WORK EXPERIENCE

---

#### **Junior Web Developer & IT Office Assistant - Venue 36 Group Of Company Yangon, Myanmar**

Nov 2022 - May 2024

- Developed and maintained web applications, handling both front-end and back-end tasks.
- Collaborated with the team to implement features, optimize performance, and ensure a smooth user experience.
- Managed and updated WordPress websites and landing pages with basic on-page SEO.
- Supported digital marketing campaigns by monitoring website performance and analytics.
- Edited videos and created digital content for social media and promotions.
- Provided daily IT support for office staff, including computers, printers, and software issues

#### **Commis Chef - Trove Restaurant, Dubai Mall, UAE**

Aug 2024 - Sep 2025

- Worked in a fast-paced kitchen environment preparing quality dishes.
- Developed strong teamwork, multitasking, and time management skills — qualities reflected in my coding discipline.

## PROJECT EXPERIENCE

### JAPANESE RESTAURANT WEBDESIGN

- Built using HTML, CSS & JS featuring scroll animations, light/dark mode, and mobile-first responsive design.

### HOTEL BOOKING WEBDESIGN

- Responsive hotel landing page with smooth animations and clean layout using HTML, CSS, and JS.

### TRAVEL & TOUR BOOKING WEBDESIGN

- Interactive and fully responsive tour agency site using HTML, CSS, and JS with animated sections.

### GREEN COFFEE SHOP WEBSITE

- Complete PHP & MySQL system with product catalog, order form, and admin dashboard.

### RESPONSIVE E-COMMERCE APP

- Full-stack e-commerce app with Clerk authentication, Next.js, MongoDB, Cloudinary, and Vercel deployment.

### RESTAURANT MANAGEMENT SYSTEM

- Full Laravel project with MySQL for managing customers, menu items, and orders using HTML, CSS, JavaScript, and Blade templates.

### RESPONSIVE REAL ESTATE WEBSITE

- Responsive React app using Framer Motion and Swiper js library for animation and property listings.

### RESPONSIVE PORTFOLIO WEBSITE

- Personal portfolio designed in Figma and built with HTML, CSS, and JS to showcase projects.
